Downflow Coil - Product Features

- High efficiency lanced fin design
- "No-hassle" 5 year warranty. 10 year Limited Warranty available.
- R-22, R-410A, AC & Heat Pump compatible.
- All coils have durable packaging with bar coded labels on the box.
- Threaded expansion valves available factory installed or as a field installed kit.
- Coils are air pressure tested at 500 psi, leak tested with helium, sealed with rubber plugs, then charged with dry air.
- Piston options include externally accessible body for easy piston change out and/or TXV installation.
- Microban® antimicrobial additive to inhibit the growth of mold and mildew in the drain pan.
- UV resistant drain pans are molded of high temperature (450 deg. F) engineered polymer.
- Copper refrigerant connections for easy brazing on both copper and aluminum slab models.
- Cased coil cabinets are fully lined with 5/8" foil faced insulation.
- Non-captive refrigerant lines with long stubs make for easy installation.
- Enhanced refrigerant pipe grommets: secure, tight, and easy to install.
- · Copper distributor tube assembly provides brass to brass threads for trouble-free service of TXV.
- Expansion valve with improved temperature sensing:
- Mounted inside cabinet to prevent external sweating
- Bulb clamped standard factory installed
- Cabinet insulation hold down tabs for easy drain pan removal.
- Interlocking doors reduce air leakage and allow for easy access.
- Foam drain seal for reduced air leakage.
- · Maximum CFM printed on the label of each coil.
- Suction line refrigerant connections are 3/4" ODF (A-Coil 18-36 size models) or 7/8" ODF (A-Coil 42-60 size models)
- Suction line refrigerant connections are 1.125".
- Corrosion resistant coil header plates.

Downflow Coil Nomenclature

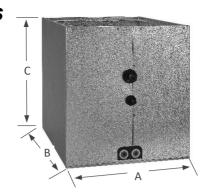

Downflow Coil – Cased Specifications

A = Width

B = Depth

C = Height

Supply Opening: (A - 1.5") x (B - 1.5") Return Opening: (A - 1.0") x (B - 0.5")

C = Copper slab; A = Aluminum slab.

| Dimensions / Airflow Data | | | | | | | | |
|---------------------------|------------------|------------------------|-----------|------------|---------|--------------------------------------|--|--|
